

Air freight, ocean freight, trucking and rail shipping experts. BGI Worldwide Logistics, Inc. Established 1999.

BGI Worldwide Logistics, Inc. is the on-demand transportation specialist providing domestic and international third-party logistics services to commercial customers. BGI specializes in delivering unique answers to complex shipping problems. Our customers rely on us as their expert resource in an increasingly complex domestic and international transportation environment. Experience the difference...

Vision

To be an expert resource and the most reliable and responsive global logistics partner for our clients

Mission

To be a 'True' partner with our clients and always deliver the most effective and efficient solutions

Values

- **Fast** Time is of the essence – and we know it
- **Reliable** We deliver on our commitments
- **Excellence** In everything we do
- **Innovative** We provide creative solutions for our Clients
- **Global** Worldwide Network – To/From Everywhere
- **Honesty** Trusted Global Business Partner to our Clients
- **Teamwork** It is how we accomplish our goals

Customers describe BGI in ways not typical in the logistics and freight forwarding industry:
“A true partner.” “Dedicated.” “Hands-on.” “Capable of solving my toughest problems.”
 “A level of care I have not experienced elsewhere.”
